

MEDICAL FACILITIES

Q.1 Is there any kind of medical facility provided by University of Delhi?

Ans. Yes, University of Delhi provides high quality medical services to the students through its own Health Centre i.e. WUS (World University Service).

Q.2 Where is WUS Health Centre located?

Ans. WUS Health Centre is a contributory Health Scheme and with its four operational units in North, South, East and West. It caters to health related needs of the University of Delhi employees, their family members and students. The North or the Main Campus unit of the Health Centre is the nodal point and has all major investigative facilities, a team of Doctors, paramedical staff and several visiting part-time specialists. The South unit in the South Campus also has visiting part-time specialists and limited diagnostic and investigative facilities. There are only single Doctor Units in the East and West units. It has four (4) Branches, in each zone of University of Delhi.
